

# Sir George Cayley Sailing Club

## **Minutes of Meeting**

Held 8.00pm Wednesday 19th October 2016, 8.00pm at the Carpenters Arms, Fangfoss

## **Present**

Dom Curran, Harry Postill, Richard Sewell, Tony D (chairman), Martin (guest).

## **Matters Arising**

A question.. are all current Members receiving info about forthcoming meetings etc? Geoff M to be asked to clarify.

The Club BBQ on 21st Sept went off well with 20 people attending. The weather was kind and all food got eaten! Surplus wine bought by members.

## **Christmas Dinner**

Suggestions invited!

Date?

Venue? The Carpenter's, Fangfoss, favoured by those present.

Entertainments...Raffle? Flying Videos? After Dinner Speaker? Strippers? also, Trophy presentation - Harry P has volunteered to look after the trophies.

Let me know if you have any ideas and

which date do you prefer for the Xmas Do - Wednesday 14th December or Friday 16th December

## **Website**

Richard Shirt is doing a splendid job keeping the revitalised Club website up to date, as well as sending out info via social media.

## **Site Info**

Speeton - In the absence of any further communications from the RSPB the Club should continue to fly these cliffs and abide by our own volunteered site rules (as set out in Site Guide on Website).

There seems to be no current problems with any of our sites.

Jez has paid the National Park Authority for another year's permit to fly Horcum and has been reimbursed by the Club. See Sit Guide for details of Horcum Rules (unchanged from last year).

Tony D to ask Jez and Andy B to look after any Xmas presents that may be owed to landowners - the Club to reimburse all reasonable expenses

including to the Millington t/o landowner who will soon be sending his invoice for 2017.

### **Other News**

Look out for 'Free Aero' e-magazine, full of interesting para-stuff. It is free and is running a comp this month with a new glider as prize.

The NYSC are now starting to use the winch and are open for any of our members to take part and help out. A good way to get off the ground on nil-wind days.

### **Club Holiday**

Since the Club is in a healthy financial position, suggested 2017 Club Holiday in the Lake District and/or Derbyshire and/or even further afield? To be discussed at next meeting.

### **Next Meeting**

Wednesday **16th November 2016** at 8pm at the Carpenters Arms, Fangfoss.

Agenda, so far... Set date + arrangements for Club Christmas Dinner.  
Club Holiday 2107.  
Parachute repack Spring 2107

Tony D thanked all those attending. Meeting closed at 9.15pm.

Fly High and Land Safely,  
Chairman, SGCSC.

Tony Dew,
