

Cayley Club 40th anniversary competition

Write up by Andy and Sue

On Sunday April 10th, we celebrated our clubs 40th anniversary in style. We held a low key competition at the Hole of Horcum.

Many thanks to everyone for making the comp' a great success. We never stop learning with this place do we!

The accuracy comp' was won by **Jez** who managed to clip Sir George's ear (face in middle of target) closely followed by **Ed'** and **Alex**.

The distance comp was won by old Helium pants **Hamish** who nearly glided straight out of the valley. Second was **Alex** , with a great flight that looked as if it wouldn't be beaten, and third was **Harry** who having gone first set a marker I thought would never be beaten.

Overall winner (points added together for both rounds) was **Alex Flemmington** (great job) second was **Jez** , joint third were **Ed' Cunliffe** and **Hamish** and a close fourth was **Harry (where's me kippers) Postill** .

Sadly had Rich Sewell not slipped on the snot from Sir Georges nose dead centre of the target he would have won outright!! BU***RRRR! It was nice (on one of my many walk-ups) to meet a guy from York who spoke of a once dear friend and work mate who told him of his love of flying at Horcum. Amazingly he was speaking of Steve Woolgar and he was really touched when I told him that we were competing for Steve's trophy! It was also good to remember our old friend Steve Major. I really enjoyed competing on his old x-ray! Great day out, great fun , great camaraderie, good crack and comp, what more could anyone want?

It was also great to see Andy Webster who as a youngster was present at the 1976 Hang Glider Championship.

Look out for the article in Skywings.

Best regards
