

SIR GEORGE CAYLEY SAILWING CLUB

Horcum Glide and Accuracy Competition

Published: Richard Shirt, Competition Manager

What is this competition about?

As the description suggests, there will be two tasks weather allowing at Horcum. Pilots will accumulate points on the day/afternoon to become the overall winner of the comp. This happens annually usually in April or early May.

Rules

- Accuracy – nearest the bulls eye
- Glide – furthest away from designated take-off (no turning!)

Entering

Available to all members and no GPS or fancy kit required to compete.

Competition notifications can be short notice due to the weather windows. The best way to keep informed is to watch out on the following mediums.
