October 17th Meeting Minutes

Venue

Held on the 17th October 2018 at Beverly at Nelly's at 8pm

Present

Andy Berzins, Tony Dew, Geoff Moses, Suzie Berzins, Tracey Nicholls, David Perryman, Robin Scot.

Apologies

Dominic Curran, Richard Shirt and Harry Postill.

Meeting Detail

Club Coaching Meeting

This has been organized by Dominic Curran and will be held on Saturday, November 3, 2018. Dominic already has 25 people booked and has a reserve list too. Geoff Moses mentioned that Derbyshire Club were already holding 2 similar sessions which was why they weren't attending Cayley Club one.

Andy Berzins said all supplies (particularly Flip Chart) needed for meeting organized – some question as to lunch arrangements: sandwiches, or takeaway could be organised. Suzanne Berzins said would be available to help if needed.

Competitions

Tony D. confirmed that David Perryman is now responsible for this. David is proposing 3 new Club competitions:

- Cylinders (touch points) which he was testing out.
- Height gain which was highest height gain off any launch at a Cayley site.
- Coupe '1 Brid' to be held during July and August: Club members dress up.

Approved by the committee

Geoff Moses said another social competition could be if the conditions were not fabulously flyable and members were standing around on launch talking - could do spot landing competition. Another idea would be to add one of the Club's sites to Ed Cleasby's Northern Challenge Cup. Andy asked whether this was a Club competition, Robin said it wasn't a specific Club competition it was an open one. David to contact Ed for more details of next year's comp. David also mentioned the photograph competition where the members can submit **ONE** photo to comps@cayleyparagliding.co.uk. The competition for this year closes on January 31, 2019. Only one photo has been submitted to date.

SIR GEORGE CAYLEY SAILWING CLUB

Flight Instrument Workshop

Andy said that Jackie Knights was in contact with someone who could give the Club members assistance in programming their flight instruments (i.e. to enter coordinates for the way points for the Club competitions). We hope that this workshop can be organized during the first quarter of 2019. Andy will have more information on this next month.

Telegram

The members briefly discussed the new communicating system put in place and all agreed it was working well.

Accounts and Memberships

Suzanne said there are now 61 members.

Tony D. suggested that £2000 in the current account be moved over to the savings account which brought in interest. Suzanne Berzins proposed and Andy Berzins seconded. This was unanimously approved. Tony D. will do the necessary to transfer the said money from one account to the other.

David mentioned that the accounts are now being maintained using QuickFile (an online free accounting program).

Dates for Christmas Dinner and AGM

It was agreed that the Christmas Dinner be held on **Friday, December 7, 2018** at the Carpenter's Arms in Fangfoss as held last year. Tony D. said he would book with Sally Landlady and give more information once she had the Xmas menu, etc. This year members are asked to bring a present for the Raffle and Tony said he would ask Ken if he would organize it.

The next Club meeting will be held in Fangfoss on **Wednesday, November 21, 2018**.

The AGM date was fixed for **Wednesday, February 20, 2019**.

A big thank you to those who turned up. We cannot carry on as a club without your help and enthusiasm. Hope to see some more at Nelly's soon.

Fly High and Land Safely,

Tony Dew, Chairman, SGCSC.
